The raffle, down to the very last marble, was finally one by Carl!! And a bottle of wine to Saun

Program notes;

1. Dennis presented a check for \$300 to Stephanie who told us all the good works and activities of the Goodwill Industries including their mental health services. It's a fascinating organization and can be viewed on line <http://www.gire.org/programs/mentalhealth>
2. Jennifer introduced Dianna Klein from the Jewish Family and Children's Services. Our donation of \$ 500 will be used in the "rides" program for fuel costs. <http://www.jfcs.org/default.asp> helping people of all faiths from "cradle to rocking chair"
3. Our main program was about the SRJC. It's rich history and robust services were presented by Dr. Mary Kay Rudolph. There isn't room enough in the bulletin to go into the amazing programs available and the new facilities that have been recently upgraded, updated and upsized. I was rolling down Mendocino with a well know San Francisco Architect the other day when we spied the new parking garage. His comment was "That is one expensive parking garage!"
