District Conference May 13 & 14

KCRB Event was a success. Andy acknowledged Gene and Mike Chirhart, Rich Schneider, Marilyn and Larry Lira, Linda Christopher, Dennis Sepp, Joe Mauer and Jennifer Ratcliffe for their help.

This was a joint meeting with Santa Rosa West. Everyone who went had a good time especially seeing old friends. Many indicated that we should do this more often.

Program Notes

The speaker was Jim Johnson from the Santa Rosa West Club who has produced a DVD on the effects of the 1906 earthquake in Santa Rosa. He had spoken to our club some time ago and showed the video but it was certainly good to see it again. With all the notoriety San Francisco got, it is easy to forget the literal total destruction of Santa Rosa and the impressive recovery made by its citizens of the time.
